

Monte Carlo Cyclone Ceiling Fan Voluntary Recall: Model Numbers and Manufacturer Purchase Order Numbers (MPO#)

Not all Monte Carlo Ceiling Fan Company “Cyclone” models are being voluntarily recalled.

Please look below for the model number, then the manufacturer purchase order number (MPO#) located on top of the motor housing. The fans affected have **both** the model number **and** one of the manufacturer purchase order numbers, shown below.

Please note: Upon disassembling your fan, if you discover your Cyclone model is **not** one of those listed, reassemble your fan **without** the new replacement brackets.

The Cyclone model ceiling fans that are in the Matte Black finish are **not** affected.
