FEISS-MONTE CARLO SHOWROOM: #TM-4010

Skokie, Ill., January 15, 2016—Feiss and Monte Carlo Fans continue to offer a diversity of products from traditional and transitional designs to contemporary and modern.

Here's a sampling of new Feiss products to be launched at "Lightovation" in Dallas:

Chandeliers/Pendants

FEISS IMAGE	FEISS PRODUCT DESCRIPTION
	The modern, oversized orb of the Oberlin pendant by Feiss is dramatically adorned with graduated Clear Rondure beads and finished with a larger Clear Rondure accent. Two integrated LED modules shine light from the top and bottom and feature advanced, warm-on-dim technology that warms in color when dimmed, going from 2700K to 2200K to create a soft glow; the LED light source is CA Title 24 compliant. In a Satin Nickel finish, the Oberlin is available in either a 25-5/8" high X 20" diameter or a larger 43-3/4" high X 32" in diameter (<i>shown</i>) size.
	Three Oberlin pendants by Feiss are shown in this living room.

FEISS IMAGE	FEISS PRODUCT DESCRIPTION
	<p>The Evington collection by Feiss has a flowing, traditional form with contemporary flair. Fixtures in the Satin Nickel finish have Blown Opal Etched tapered glass shades to create soft uplight, and those in the Sunset Gold finish (<i>shown</i>) have simple candelabra lighting without an outer shade. Both versions feature contemporary Clear rondures which elevate the transitional design with an eye-catching spherical detail. This Evington nine-light chandelier from the collection is 35-1/2" high and 32-1/8" in diameter.</p>
	<p>The six-light Evington chandelier in the Satin Nickel finish is shown in this living room. Its dimensions are 28-1/4" high and 23-1/2" in diameter.</p>
	<p>With a captivating, two-tone artisanal finish of Dark Antique Copper with brighter Antiqued Copper accents, the Jacksboro Collection from Feiss delivers mountain luxe style. Tall, cylindrical glass tube shades sit atop the rounded bobeches and can easily be removed and run through the dishwasher to keep them sparkling clear. The multifaceted, hexagonal canopy echoes the crown of each fixture's transitional silhouette. This five-light island chandelier is 21-1/8" high, 9" wide and 37-3/8" long. Other fixtures in the Jacksboro lighting collection include five- and nine-light chandeliers, a three-light foyer chandelier, one-light mini-pendant, one-light wall sconce and two- and three-light bath vanities.</p>
	<p><i>Shown:</i> Two, five-light Jacksboro chandeliers by Feiss are the highlight of this transitional dining room. Each of these chandeliers measures 26-3/8" high and 25" in diameter.</p>

FEISS IMAGE	FEISS PRODUCT DESCRIPTION
	<p>The French Provincial influenced DeWitt collection by Feiss has an elegantly simple silhouette. It's updated using the dramatic contrast of rustic, gilded finishes, either Weathered Iron or new Sunrise Silver (<i>shown</i>). Using an innovative technique, clear teardrop crystals are painted on one side with the matching finish so the color shines through to harmonize with the rest of the fixture. Shown is the five-light DeWitt chandelier, and its dimensions are 29" high and 25" in diameter.</p>
	<p>The DeWitt five light chandelier (in the Sunrise Silver finish) by Feiss in this dining room.</p>
	<p>The Prospect Park collection by Feiss features a rich, two-tone finish of Satin Nickel with Chrome accents. Each cylindrical Opal Etched glass shade boasts metal bands at the top and bottom to add a touch of formality. Unexpected pressed crystal on each stem adds a touch of glamour. Shown is the five-light chandelier; its dimensions are 20-1/2" high and 25-1/4" in diameter.</p>

	<p>Shown here is the nine-light Prospect Park chandelier by Feiss in this dining area.</p>

Semi-Flush Mounts

	<p>In the transitional Colorado Springs oversized semi-flush mount by Feiss, Clear crystals floating in metal rings are threaded onto chain, strung into a drum shade, and draped at the bottom as a finishing touch. The generous, yet low-profile dimensions are ideal when ceiling height is limited or a fantastic view should not be obscured. Finished in a Chestnut Bronze, the six light semi-flush mount shown here is 29-1/4" in diameter and 12-1/2" high.</p>
	<p>Here, the six-light Colorado Springs semi-flush mount by Feiss is shown in a bedroom.</p>

Bath

FEISS IMAGE	FEISS PRODUCT DESCRIPTION
	<p>The glamorous Kalli bath lighting collection by Feiss emits soft light sparkling through thick, multi-faceted, clear pressed votive crystal glass shades which rest on softly flourishing arms. The elegant and feminine aesthetic is grounded with a tailored backplate to add an extra design detail. Lighting fixtures in the Kalli line include two- and three-light (<i>shown</i>) bath vanities and a one-light wall sconce, all offered in either a Satin Nickel or Chrome finish. This three-light is 6-38" high, 20" long and has an extension of 6-3/4".</p>
	<p>The three-light Kalli bath vanity by Feiss is shown in this bathroom.</p>

Outdoor/Indoor

	<p>The Arramore collection by Feiss is a perfect example of emerging designs for the outdoor room and how far LED technology has come. Inspired by garden gate scroll work, the collection's modern silhouette is enhanced by integrated LEDs grazing down its delicate, decorative pattern. While damp/wet rated for outdoor use, Arramore is equally suited for beautifully appointed indoor spaces as well. The collection is finished in a Dark Weathered Zinc. Shown here is the 12-1/2" high and 24" in diameter pendant.</p>
	<p>The Arramore pendant by Feiss is shown in this seating area.</p>

FEISS IMAGE	FEISS PRODUCT DESCRIPTION
	<p>The Mattix outdoor sconce by Feiss combines exemplary engineering with modern design. Vertically recessed LEDs highlight the unique clear glass insert to look like a waterfall. The Painted Silver finish completes the look. ADA compliant, this largest, six-light Mattix is 36-1/2" high and 6" wide with a 3-1/2" extension. With an output of 5,400 lumens, it consumes 60 Watts. 2700K. 90+ CRI. Also available in an Oil Rubbed Bronze with a metal insert featuring a heavily textured organic pattern. Other sizes are 25-1/2" and 14-1/2" high.</p>

Here's a sampling of new Monte Carlo fans to be launched at "Lightovation" in Dallas:

MONTE CARLO IMAGE	MONTE CARLO PRODUCT DESCRIPTION
	<p>The unique curved blades of the modern 56" Avvo ceiling fan by Monte Carlo wrap around the motor housing like flower petals right before bloom, creating a seamlessly integrated and graceful design. Damp-rated for indoor/outdoor use, the Avvo fan is available in Koa wood, Rubberized White (<i>shown</i>) and Grey finishes. It features an integrated 15W LED downlight, with 1,130 net lumens of output, 2700°K CCT and a CRI of 80+. A finishing cap is included for use without the light. The DC motor delivers powerful airflow and energy efficiency.</p>
	<p>Shown: Monte Carlo's Avvo ceiling fan in the Koa wood finish in this bedroom.</p>

MONTE CARLO IMAGE	MONTE CARLO PRODUCT DESCRIPTION
	<p>The 56" Dylan by Monte Carlo is a refined interpretation of a vintage industrial ceiling fan, ideal for outdoor living spaces from traditional to rustic modern. The unusually upward curved blades, finished in on-trend Grey Weathered Oak (<i>shown</i>) or Dark Walnut color, overlap in the center to create an eye-catching design detail when viewed from below. The vintage look of the ceiling fan is reinforced with the warm Aged Brass and Aged Pewter (<i>shown</i>) housing finishes.</p>
	<p>The Dylan ceiling fan by Monte Carlo is shown here in a sun room.</p>
	<p>Reminiscent of a vintage navy ship cannon, the robust housing of the 56" Cannondale ceiling fan by Monte Carlo mounts directly to the ceiling, and is well suited for a wide array of décor from industrial to nautical. The look can be customized with a Brushed Steel or Bronze (<i>shown</i>) housing finish, each with reversible dual finish blades. The DC motor delivers powerful airflow and energy efficiency.</p>
	<p>The Cannondale ceiling fan (with a Brushed Steel housing finish) by Monte Carlo is shown in a living room.</p>

MONTE CARLO IMAGE	MONTE CARLO PRODUCT DESCRIPTION
	<p>The new Discus Trio is a three-blade version of the popular 52" Discus ceiling fan by Monte Carlo. With a minimalist, contemporary design and three color options—two of which with reversible dual finish blades, it can complement a wide variety of room décor. The Discus Trio features an integrated 18W LED downlight with 1730 net lumens of output, 2700°K CCT and a CRI of 80. An optional finishing cap is available for use without the light. Damp-rated for indoor/outdoor use. Shown is the Discus Trio with a Brushed Steel housing and American Silver/American Walnut dual blades; other choices are a Rubberized White housing with Rubberized White blades and Roman Bronze housing with Bronze/American Walnut dual blades.</p>
	<p>Shown here in this bedroom is Monte Carlo's Discus Trio ceiling fan in a Rubberized White housing with White blades.</p>
