	<p>The gently curved, overlapping straps of the <b>Greenbrier</b> lighting collection by <b>Feiss</b> take inspiration from tall grasses gently sweeping in the wind while providing a contrast to the crisp edges and clean lines of the outer frame. The new Iron Oxide finish gives the collection a farmhouse look and feel to reinforce the reference to the natural heartland. The Greenbrier lantern pendants are completely open on all sides, exposing candelabra lamping that sits atop streamlined bobeches supported by classically curved arms. The Greenbrier collection includes a 29" H x 17" W six-light foyer chandelier (<i>shown</i>), a 22" H x 17" W rectangular four-light chandelier and a 15" H x 12" W three-light pendant.</p>
	<p>The <b>Gannet</b> lighting collection by <b>Feiss</b> exudes rustic flair with a carefully crafted two-toned finish of painted, distressed Weathered Oak on an Antique Forged Iron metal frame. Clean, crisp edges and bold lines give a tailored look to this classic lantern silhouette. Gannet features open, airy frames on the sides and crown. The transitional lanterns of the Gannet Collection are offered in a 36"H x 25.5"W 6-light foyer chandelier, a 26.75"H x 18"W 4-light chandelier (<i>shown</i>), a 17" H x 12" W 4-light chandelier, a dramatic 14" H x 50" L x 14" W 5-light linear island chandelier and a 12.5" H x 8.5" W 2-light wall sconce.</p>

	<p>Taking inspiration from the generous vessel and slender neck of a vintage glass jug, the understated <b>Baylor</b> pendant lights by <b>Feiss</b> have an eye-catching yet simple silhouette and a classic Clear Seeded glass shade. Baylor pendants are available in two hardware finish options, either Satin Nickel or Oil Rubbed Bronze (<i>shown</i>). Exposed lamping (<i>sold separately</i>) gives a slightly rustic, industrial feel. Baylor pendants measure 12" at their widest point and are 17" high. Damp-rated.</p>
	<p>The new <b>Hewitt</b> wall sconce light by <b>Feiss</b> is a modern interpretation of the classic torchiere sconce, with a slim vertical profile cleverly affixed to a sleek cast arm detail. While the overall design aesthetic is understated, Hewitt's scale makes a dramatic statement. In either an Antique Bronze (<i>shown</i>) or Polished Nickel finish, a White, lined Parchment shade softly diffuses the light, producing a subtle, elegant glow. Hewitt 1-light wall sconces are 19.5"H x 5"W and extend 5".</p>

	<p>The <b>Quinn</b> wall sconce by <b>Feiss</b> is simply elegant with contemporary flair, featuring bold, cast details such as square arms with a defined square transitional edge, contrasted by a circular candle tube sitting atop a square bobèche. A delicate White Parchment shade softly diffuses the light. Overall, the angular profile achieves a tailored, modern look for those seeking an updated classic. Quinn 1-light wall sconces are offered in a Satin Nickel (<i>shown</i>) or Antique Bronze finish and measure 15"H x 5"W with a 5" extension.</p>
	<p>Add a clean, modern addition to any bath with the <b>Volo</b> bath vanity lighting collection by <b>Feiss</b>. The clean, modern design features a delicate, clear glass-wrapped shade and an inner opal etched glass diffuser to provide a warm, sophisticated, layered glow. The horizontal bar features a subtle knock-out detail in which each glass shade nests within the arm, creating a refined appearance, while the Chrome finish and a crisp square backplate complete the look. All hardware is cleverly hidden to ensure the sleek beauty of the fixtures. The Volo collection a 6.5"H x 5.5"W 1-light wall sconce; a 5.5"H x 13.5"W 2-light vanity fixture; a 5.5"H x 22.5"W 3-light vanity fixture (<i>shown</i>); and a 5.5"H x 31"W 4-light vanity fixture.</p>

Newport features Feiss' new Painted Silver outdoor finish.
