**FEISS-MONTE CARLO SHOWROOM: #TM-4010**

These are the new Monte Carlo fans which will be shown at LIGHTOVATION in Dallas:

MONTE CARLO FAN IMAGE	MONTE CARLO FAN DESCRIPTION
	<p>For the ultimate urban loft or any industrially-inspired space, the 57" <b>Destin</b> ceiling fan by <b>Monte Carlo</b> delivers a refined modern look with a perfect balance of function and form. The three blades, finished in on-trend Koa or Driftwood Grey (<i>shown</i>) color, gently twist as they transition into the motor, creating a nice contrast to the deep profile of the fan. Available in either a Brushed Steel or an Aged Pewter (<i>shown</i>) housing finish, Destin features an integrated 20W LED downlight with 1,060 delivered lumens of output for ample general illumination, 2700°K CCT and a CRI of 90+. Damp-rated for indoor or outdoor use, such as for covered patios or porches.</p>

MONTE CARLO FAN IMAGE	MONTE CARLO FAN DESCRIPTION
	<p>Influenced by Scandinavian minimalism in design, the 54" <a href="#">Nord</a> ceiling fan by <b>Monte Carlo</b> features a distinctive conical silhouette with a bowl shaped integrated downlight, which is inset in an Opal Etched glass shade to create a seamless profile. The 15W LED light provides ample illumination with 620 lumens of output, 2700°K CCT and a CRI of 80. Offered in a Brushed Steel or Matte White (<i>shown</i>) finish, the clean aesthetic of Nord makes it a great addition to modern or transitional living rooms, dining rooms, or bedrooms. The virtually silent DC motor generates powerful air flow while using very little energy.</p>
	<p>The new <a href="#">Nord</a> ceiling fan by <b>Feiss</b> is shown in Brushed Steel here in this dining room.</p>
	<p>With a clean and elegant design and two color options, the 60" <a href="#">Owen</a> ceiling fan by <b>Monte Carlo</b> will suit virtually any room décor while providing a high level of air movement and illumination. The integrated 10W LED uplight adds a nice glow to the ceiling, and the 18W downlight that's 2700°K CCT with a CRI of 90+ provides 800 delivered lumens. Damp-rated for indoor or outdoor use such as for covered patios or porches. Owen is available in a Brushed Steel finish with American Walnut/Silver dual blades (<i>shown</i>) or in a Matte White finish with Matte White blades.</p>

MONTE CARLO FAN IMAGE	MONTE CARLO FAN DESCRIPTION
	<p>Because the Maverick line of ceiling fans have been so successful, <b>Monte Carlo</b> has added a large fan with its new 88-inch blade sweep, <a href="#">Maverick Super Max</a> ceiling fan. With a sleek, modern silhouette a DC motor and super energy efficiency, this fan features softly rounded, balsa wood blades and elegantly simple housing. Its 3-blade design delivers a distinct profile for extra-large living rooms, great rooms or outdoor covered areas. It's available in a Brushed Steel finish with either Dark Walnut or Koa blades, Matte Black finish with Dark Walnut blades (<i>shown</i>), or an Aged Pewter finish with Light Grey Weathered Oak blades. ENERGY STAR®-qualified.</p>
	<p>The <b>Monte Carlo</b> <a href="#">Maverick Super Max</a> ceiling fan with the Matte Black housing and Walnut blades is shown here in this living room.</p>
	<p>The flourishing design of the 64" <a href="#">Avvo Max</a> ceiling fan by <b>Monte Carlo</b> is both striking and graceful, taking center stage in modern spaces such as living rooms, great rooms or master suites. The unique curved blades wrap around the motor housing like flower petals right before bloom. Damp-rated for indoor/outdoor use, the Avvo Max is available in Koa, Matte White, Grey and a plated Quicksilver (<i>shown</i>) finish. It features an integrated 15W LED downlight that's 2700°K CCT and has a CRI of 80+. A finishing cap is included for use without the light.</p>

	<p>Monte Carlo's <a href="#">Avvo Max</a> ceiling fan is shown here in this bedroom.</p>
	<p>The 58" <a href="#">Discus Trio Max</a> by <b>Monte Carlo</b> ceiling fan is a three-blade version of the popular 52" Discus ceiling fan by Monte Carlo. With a minimalist, contemporary design, and three color options, two of which with reversible dual finish blades, it can complement a wide variety of room décor. The Discus Trio Max features an integrated 18W LED downlight with 650 delivered lumens of output, 2700°K CCT and a CRI of 90+. An optional finishing cap is available for use without the light. Damp-rated for indoor/outdoor use.</p>
